EGYPT NEWS

Past Event

Signing ceremony with Medhat El-Sewedy

On September 22nd, the German Arab Chamber of Industry and Commerce (AHK Egypt) held a signing ceremony to celebrate the signing of a certification agreement for the Medhat Elsewedy school of Applied Technology (MEAT) in the printing specialization.

The ceremony was honored by the esteemed presence of. Dr. Ayman Bahaa Eldin, Vice Minister of Education for Technical Education; General Dr. Amr Bossila, Director of the General Directorate of Dual Education, Training and Applied Technology at the Ministry of Education and Technical Education; Eng. Medhat Hafez Elsewedy, Founder and CEO of Medhat El-Sewedy Print House; Dr. Karim Elsewedy, Executive Manager of Medhat Elsewedy Print House; and Ms. Maren Diale-Schellschmidt, AHK Egypt CEO.

This collaboration agreement aims to certify apprentices at Medhat El-Sewedy Applied Technology School in the field of advanced printing technology across many printing departments, including "digital and offset" printing. Ms. Diale underlined the significance of this kind of collaboration, emphasizing its goal to equip apprentices—accredited in accordance with German standards and the most recent technological advancements in this field—for both the domestic and global marketplaces. She also emphasized the German Federal Republic's recognition and oversight of Egypt's advancements in technical education and vocational training.

Past Event **Midterm and final exams**

Midterm and final exams have been conducted across various sectors, marking a significant milestone in vocational education. These assessments ensure that both theoretical knowledge and practical skills align with industry standards, preparing apprentices for real-world challenges.

From August 5th to 7th, AHK Egypt in cooperation with STA Sadat held exams for 64 apprentices in Electrical Maintenance, along with 48 apprentices in IT on August 6th and 7th .

On August 14th and 15th, 20 apprentices completed their C-Level Midterm exams in Ready Made Garments at STA2. The Busway midterm took place on August 13, 14, and 21, with 32 apprentices participating, while 109 apprentices sat for the Cables midterm on August 19, 22, and 28.

In addition from September 2nd till 5th, logistics exams were conducted across STA 2 and STA Sadat, midterms and finals for 83 apprentices on B-Level and completing their theoretical and practical assessments in addition to midterm for 45 apprentices from STA Zohr. Additionally, 24 apprentices from STA Sadat took their C-Level Midterm exams in Railways Engineering on September 8th and 9th.

These exams reflect the ongoing commitment to developing a highly skilled workforce ready to meet the demands of various industries. By integrating both theoretical and practical components, Our team ensures that apprentices are well-equipped for their future careers. We extend our congratulations to all involved and look forward to their continued success as they progress through the program.

Past Event **Third GEVET Board Meeting**

The third GEVET board meeting of the year 2024 took place on Monday, 9th of September 2024 at the premises of the German- Arab Chamber of Industry and Commerce (AHK Egypt). The members were welcomed by Ms. Maren Diale, Chief Executive Officer and Mr. Moritz Cleff, Head of DEinternational and Co-CEO.

In the meeting, the exam results of the second and third quarters were presented to the members and the raise of the certification fees as of 2025 was further-discussed. The TVET team also briefed the members about then Senior Expert Services (SES) program and the suitability visits conducted by Dr. Otmat Patzel, SES expert.

Past Event **Visit Nahdet Misr Tourism School**

Our collaboration with Nahdet Misr Group and Jaz Hotel Group in Egypt has paved the way for an innovative model of life long learning experiences. The German Arab Chamber of Industry and Commerce arranged a successful visit of Jaz Hotel management team to Nahda Misr Applied Technology School, in presence of Dr. Alaa Akel – Jaz Hotels Director, Mr. Wael A.Seoud – Area GM Greater Cairo, Mr. Moustafa Salama – Reg. HR Director, Mr. Abdel Rahman El Zawahry, Nahdet Misr Schools Operations Senior Manager and Dr. Mona Ayoub, TVET Department Director at AHK Egypt.

Change is a gradual process, and it requires a community effort to achieve real impact. We at the German-Arab Chamber of Industry and Commerce are proud to be a part of this important journey.

Past Event

VW Award Ceremony

The German Arab Chamber of Industry and Commerce (AHK Egypt) took part in the graduation ceremony of the first of VW Group School of Applied Technology on the 8th of August, by awarding AHK certificates to those in the motor vehicle mechatronics industry.

The ceremony was attended by Dr. Amr Bosila, the head of the Central Administration for Technical Education Development and the director of the Operation and Management Unit for Applied Technology schools, Ms. Stefanie Obenhaupt, VW Director Region Africa and Middle East, Mr. Vito Cocina, VW Area Sales Manager, Mr. Karim Elnaggar, the Chairman of Kayan Group - EG and Ms. Maren Diale-Schellschmidt, the CEO of AHK Egypt.

Ms. Diale emphasized the objective of AHK Egypt's accreditation procedure, which is to connect apprentices' abilities to the demands of the job market. AHK Egypt provides a competent and professional workforce that serves the German, European, and global markets. In addition, she commended the involvement of female apprentices in this specialism, which contributes to the industry's diversity. As she concluded her remarks, she reaffirmed the industry's amazing expansion and reform, which will provide new chances for the enormous potential of this country's youth.

Past Event

Saxony International University Visit

In a significant move to strengthen international cooperation in vocational education, Dr. Mona Ayoub, the Director of TVET Department at AHK Egypt recently visited Saxony International University. The visit aimed to explore potential collaboration opportunities, exchange best practices, and deepen the understanding of the German dual education system, which has been a model for vocational training worldwide.

During the visit, she engaged in productive discussions with Saxony International School leadership, delving into key aspects of their curriculum, particularly their integration of theoretical learning with hands-on training.

Past Event

Sekem Conference: Industry-Based Education Initiative

On 17th of September 2024, the German Arab Chamber of Industry and Commerce participated in the Social Initiative Forum Event, arranged by Heliopolis University. The initiative focuses on the Industry-Based Education . The attendees included both Heliopolis University Academic staff across all faculties as well as representatives from various companies & organizations across industries.

Dr. Ahmed Elshazly, Director of Sponsored Programs, International Relations and Centers, provided the attendees with insights on the essential competencies students need to succeed in the job market, the learning approaches used at Heliopolis University, and specific details about the Industry-Based Education Initiative.

Also the keynote speaker, Prof. Rania El Sharkawy, Dean of the Faculty of Health Science at Borg El Arab University, elaborated on Industry-Based Education as a global learning approach that connects higher education with practical, industry-relevant skills for students. She also shared her experiences in applying this approach effectively.

Group discussions were formed later to engage the industry representatives, gain insights into their needs, and explore steps for integrating the Industry-Based Education approach into students' academic learning.

Past Event Morning Round

The German Arab Chamber of Industry and Commerce hosted on 1st of October the morning round for this month. The session started with an economic update by Mr. Alexis Below, German Economic Counsellor, followed by Mr. Sherif El Saadani, Partner at Amereller Legal Consultant who shared with our members the latest legal updates.

Our guest speaker was Ms. Shorokr Zedan, CEO & Managing Director, Ta'heal for VET Skills Excellence.

Ms. Zedan introduced our members to the activities and strategies executed by Ta'heal Egypt for Vet Skills Excellence. The company follows a fully integrated approach to excellence with the aim of supporting the technical and vocational systems in Egypt, with both national and international certifications.

JORDAN NEWS

Past Event

Exams: EE & PV

Within Al Ghurair project, the German- Arab Chamber of Industry and Commerce (AHK Egypt) and the German Energy Academy in Jordan (GEAJ) conducted the second round of photovoltaic PV and EE energy efficiency further education examinations in Jordan in 2024. The PV and EE theoretical exam took place on Tuesday, 23rd of September 2024 for 44 examinees. The PV practical took place on Wednesday, 24th of September 2024 for 26 examinees, whereas the EE practical exam took place on Thursday, 25th of September 2024 for 18 examinees. All exams took place at Al Hussein Technical University (HTU) in the presence of independent examiners with professional experience in both specializations.

Energy Efficiency practical exam

Photovoltaic practical exam

RCOY MENA '24

المؤتمر الاقليمي للشباب ٢٠٢٤ - عمان، الأردن

Past Event Regional Conference of Youth (RCOY)

Starting from Friday, 27th of September 2024 and lasting till Sunday, 29th of September 2024, the Regional Conference of Youth (RCOY) took place in Amman, Jordan. The RCOY takes place every year before the COP so that youth from all over the Arab World come together and discuss means to save our planet. The RCOY this year was attended by Ms. Rowan Abdeldayem, Programme Coordinator at the TVET department in the German Arab Chamber (AHK Egypt).

Influential figures attended the conference like Dr. Muawieh Khalid Radaideh, the Jordanian Minister of Environment and Mr. Ismail Al Far, Assistant to Ministry of Youth Egypt. The RCOY is a great chance for the Arab youth to get in touch with each other and learn about ways to be more mindful with out planet.

Ms. Rowan Abdeldayem with delegates of other participating countries
